**(I) AUTHORIZING DEBTORS TO RETAIN AND EMPLOY  
FTI CONSULTING, INC. EFFECTIVE AS OF THE PETITION  
DATE TO PROVIDE A CHIEF RESTRUCTURING OFFICER AND  
SUPPORTING PERSONNEL AND (II) GRANTING RELATED RELIEF**

I, Daniel Hugo, pursuant to section 1746 of title 28 of the United States Code, hereby declare that the following is true to the best of my knowledge, information, and belief:

1. I am a Senior Managing Director at FTI Consulting, Inc. (“FTI”), a financial advisory services firm with numerous offices throughout the country. I have held the position of Senior Managing Director at FTI since January 2018. Prior to that time, I held positions within FTI’s Corporate Finance and Restructuring practice as Managing Director (April 2015–January 2018), Senior Director (April 2014–April 2015), Director (April 2011–April 2014), and Senior Consultant (January 2009–April 2011). During the more than eleven (11) years that I have spent with FTI, I have led or otherwise been actively involved in the

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, as applicable, are 24 Hour Holdings II LLC (N/A); 24 Hour Fitness Worldwide, Inc. (5690); 24 Hour Fitness United States, Inc. (8376); 24 Hour Fitness USA, Inc. (9899); 24 Hour Fitness Holdings LLC (8902); 24 San Francisco LLC (3542); 24 New York LLC (7033); 24 Denver LLC (6644); RS FIT Holdings LLC (3064); RS FIT CA LLC (7007); and RS FIT NW LLC (9372). The Debtors’ corporate headquarters and service address is 12647 Alcosta Blvd., Suite 500, San Ramon, CA 94583.

restructuring or reorganization of companies with annual revenues between \$400 million and as much as \$17 billion, including Frontier Communications Corporation; Claire's Stores, Inc.; Dacco Transmission Parts (NY), Inc.; RG Steel, LLC; Archbrook Laguna LLC; Hines Horticulture, Inc.; Canwest Global Communications Corp.; BHM Technologies Holdings, Inc.; Transportation Management Services, Inc.; Bally Total Fitness Corporation; and Terra Construction Inc. In addition, I have served in numerous interim management roles for various companies. I received a Bachelor of Business of Administration from Western Illinois University and a Master of Business Administration from DePaul University. Additionally, I am a Certified Turnaround Professional, a designation issued by the Turnaround Management Association.

2. I submit this declaration (the “**Declaration**”) in support of the motion (the “**Motion**”)<sup>2</sup> of 24 Hour Fitness Worldwide, Inc. and its affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the “**Debtors**”) for authority to retain and employ FTI in the above-captioned chapter 11 cases effective as of the Petition Date to provide the Debtors a CRO and Supporting Personnel in accordance with the terms and conditions set forth in that certain engagement letter between the Debtors and FTI, dated June 11, 2020, including any amendments and schedules thereto (the “**Engagement Agreement**”). Unless otherwise stated in this Declaration, I have personal knowledge of the facts set forth herein.

### **Scope of Services**

3. Since FTI’s retention, the FTI Professionals have worked closely with the Debtors’ management and other professionals in managing and tracking the Debtors’

---

<sup>2</sup> Capitalized terms used but not otherwise defined herein shall have the respective meanings ascribed to such terms in the Motion.

performance, monitoring and forecasting cash flow and liquidity, evaluating the Debtors' financing options, analyzing and evaluating the Debtors' operations, evaluating strategic alternatives, and the myriad requirements of these chapter 11 cases.

4. I will serve as the Debtors' CRO. As CRO, I and the other FTI Professionals will report to the Debtors' Chief Executive Officer (the "CEO") or as otherwise directed by the applicable governing body of the Debtors, including the Special Committee of the Board of Managers of 24 Hour Holdings II, LLC (the "**Special Committee**"). FTI will provide services to assist the Debtors with their restructuring process. The CRO, along with the Supporting Personnel, will have such duties as the Special Committee may from time to time determine, including, without limitation, such duties and responsibilities as are customary of an interim executive officer at a company of similar size and operations. These services are necessary to enable the Debtors to maximize the value of their estates and successfully complete their restructuring.

#### **Disclosure of Relationships and Eligibility**

5. In connection with the preparation of this Declaration, FTI conducted a review of its contacts with the Debtors, their affiliates, and certain entities holding large claims against or interests in the Debtors that were made known to FTI. A listing of the parties reviewed is reflected on Schedule 1 to this Declaration (the "**Retention Checklist**"). FTI's review, completed under my supervision, consisted of a query of the Retention Checklist within an internal computer database containing names of individuals and entities that are current or recent former clients of FTI. The disclosure list attached as Schedule 2 to this Declaration (the "**Disclosure List**") is the result of FTI's review.

6. Further, as part of its diverse practice, FTI appears in numerous cases, proceedings, and transactions that involve many different professionals, including attorneys, accountants, and financial consultants, who may represent claimants and parties in interest in these chapter 11 cases. Also, FTI has performed in the past, and may perform in the future, advisory consulting services for various attorneys and law firms, and has been represented by several attorneys and law firms, some of whom may be involved in these proceedings. In addition, FTI has in the past, may currently, and will likely in the future be working with or against other professionals involved in these chapter 11 cases in matters unrelated to the Debtors and these chapter 11 cases. Based on our current knowledge of the professionals involved, and to the best of my knowledge, none of these relationships create interests materially adverse to the Debtors in matters upon which FTI is to be employed, and none are in connection with these chapter 11 cases.

7. FTI does not believe it is a “creditor” with respect to fees and expenses of any of the Debtors within the meaning of section 101(10) of the Bankruptcy Code. Further, neither I nor any other member of the FTI engagement team serving the Debtors, to the best of my knowledge, is a holder of any outstanding debt instruments or shares of the Debtors’ stock.

8. Thus, to the best of my knowledge and based upon the results of the relationship search described above and disclosed herein, FTI (i) is not a creditor, or equity security holder; (ii) has not been, within three (3) years before the Petition Date, (a) an investment banker for a security of the Debtors or (b) an attorney for such an investment banker in connection with the offer, sale, or issuance of a security of the Debtors; (iii) was not, within two (2) years before the Petition Date, a director, officer, or employee or of any investment banker as specified in part (ii) of this paragraph; and (iv) does not have an interest materially

adverse to the interest of the Debtors' estates or of any class of creditors or equity security holders.

9. It is FTI's policy and intent to update and expand its ongoing relationship search for additional parties in interest in an expedient manner. If any new material relevant facts or relationships are discovered or arise, FTI will promptly file a supplemental declaration.

**Professional Compensation**

10. Subject to Court approval, FTI will seek payment for compensation in the form of hourly rates for work, plus reimbursement of actual and necessary expenses incurred by FTI.

11. FTI's customary hourly rates as charged in bankruptcy and nonbankruptcy matters of this type by the professionals assigned to this engagement are outlined in the Motion. FTI does not provide any assurance regarding the outcome of its work, and its fees will not be contingent on the results of such work other than the payment of the Completion Fee.

12. FTI will seek reimbursement for reasonable and necessary expenses incurred in connection with these chapter 11 cases, including, but not limited to, telephone, overnight mail, messenger, travel, meals, accommodations, and other expenses specifically related to the engagement. Further, if FTI and any of its employees are required to testify or provide evidence at or in connection with any judicial or administrative proceeding relating to this matter, FTI would be compensated by the Debtors at its regular hourly rates and reimbursed for reasonable direct expenses with respect thereto.

13. To the best of my knowledge, (i) no commitments have been made or received by FTI with respect to compensation or payment in connection with these chapter 11 cases other than in accordance with the provisions of the Bankruptcy Code and as discussed in

the Motion, and (ii) FTI has no agreement with any other entity to share with such entity any compensation received by FTI in connection with these chapter 11 cases.

14. I have read the Motion that accompanies this Declaration and, to the best of my knowledge, information, and belief, the contents of such Motion are true and correct.

*[remainder of page intentionally left blank]*

I declare under penalty of perjury that, to the best of my knowledge and after reasonable inquiry, the foregoing is true and correct to the best of my knowledge, information, and belief.
